

MenuInput::MenuInput

MenuOutput::MenuOutput

Menu::Menu

```
graph LR; A[MenuInput::MenuInput] --> C[Menu::Menu]; B[MenuOutput::MenuOutput] --> C;
```

The diagram illustrates a relationship between three classes. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'MenuInput::MenuInput' and the bottom box contains 'MenuOutput::MenuOutput'. On the right, there is a gray rectangular box with a black border containing the text 'Menu::Menu'. Two blue arrows originate from the right side of the white boxes and point towards the left side of the gray box, indicating that both MenuInput and MenuOutput are associated with or inherit from Menu.
